Dealer notes

For businesses and fleet operators seeking an uncompromising workhorse, this 2014 Ford Super Duty F-350 DRW 2WD Crew Cab XL represents the gold standard in commercial capability. Finished in classic Oxford White, this heavy-duty dual-rear-wheel (DRW) chassis cab is built on a 176-inch wheelbase with a 60-inch cab-to-axle (CA) layout, offering a highly versatile platform ready for custom upfitting. The spacious Crew Cab configuration ensures your entire work crew can travel to the job site without sacrificing the utility and strength required for demanding daily operations. At the heart of this formidable machine is the proven 6.2L 2-valve SOHC EFI NA V8 Flex-Fuel engine, delivering reliable 8-cylinder power and torque. This rear-wheel-drive (2WD) powertrain is engineered to maximize efficiency and durability under heavy loads, while the dual-rear-wheel setup provides superior stability and increased payload capacity. Whether you are transporting heavy equipment or managing a specialized payload, this 2014 Ford F-350 is built from the frame up to deliver consistent, heavy-duty performance. Inside, the durable Steel interior is designed to withstand the rigors of a demanding work environment. Drivers will appreciate the added convenience of the Power Equipment Group and Cruise Control for comfortable highway transit, while the integrated Trailer Brake Controller offers enhanced safety and control when hauling. Completed with 50 state emissions compliance, this 2014 Ford F-350 XL is a turn-key solution designed to bolster your productivity and tackle your toughest tasks with ease.
