### Dealer notes

2005 Chevrolet Suburban 4x4 LT SUV. If you're looking for one of the cleanest examples of this generation and body style, you have found it! If you're looking for an alternative to a \$100,000 SUV to enjoy at the beach, haul the family, or tote the kids around, this is the one. Dependable and reliable, from before all of the new GM problems, this is one amazing unit. Michelin tires that are like new, clean alloy wheels, and a bright white paint finish that you would have to look closely to find an imperfection. There are a couple of small chips in the paint, as you would expect, but you really have to look for them. This Luxury Touring Edition features perfect leather seats, third-row seating, heavy-duty floor mats, a roof rack, dark-tinted windows, and much more. The previous owner was so particular that he even replaced the glass because of some hard-water/acid-rain stains. There is absolutely no rust underneath this unit. It has also recently had quite a bit of mechanical maintenance performed. Additional features include a sunroof, fog lights, and really, there is very little this Suburban is missing. At this price point, you will be hard-pressed to find an SUV of this quality, condition, and dependability. Price does not include \$0 processing fee
