Dealer notes

STATE CERTIFIED REBUILT TITLE – FLORIDA TRUCK – DENALI – 3.0L DURAMAX DIESEL – 4WD – DENALI RESERVE – TECHNOLOGY PACKAGE – SUNROOF – NO FRAME DAMAGE – 2023 GMC Sierra 1500 Experience premium truck luxury with this exceptionally equipped 2023 GMC Sierra 1500 Denali 4WD Crew Cab, finished in crisp Summit White over a sophisticated Jet Black interior. Powered by the desirable 3.0L Duramax Turbo-Diesel inline-6, this Denali combines outstanding torque and efficiency with the upscale comfort, technology, and capability expected from GMC's premium truck lineup. With 60,519 miles, this Sierra has a strong service history and spent time in Florida, giving it the major advantage of a clean, rust-free undercarriage compared with many northern trucks. It carries a State Certified Rebuilt Title due to previous light front and rear damage. Importantly, NO airbags deployed and there was NO frame damage. The truck has since been repaired and completed the required state certification process. Vehicle History & Condition ' State Certified Rebuilt Title ' 60,519 Miles ' Previous Light Front & Rear Damage ' NO Frame Damage ' NO Airbags Deployed ' Professionally Repaired ' State Inspected & Certified ' Florida Truck ' Clean, Rust-Free Undercarriage ' Excellent Service History ' Recently Serviced at a GMC Dealership ' Summit White Exterior ' Jet Black Denali Interior This is exactly the type of history we like to explain clearly. The Sierra sustained previous light damage to the front and rear, resulting in its rebuilt-title status, but the damage did not involve the frame and did not deploy the airbags. It has since been repaired and state certified and presents as a very nice truck today. Excellent Recent Service History One of the biggest positives with this Sierra is its documented maintenance. At 57,239 miles on January 5, 2026, the truck was serviced at Gettel Chevrolet Buick GMC in Punta Gorda, Florida, where it received extensive maintenance, including: ' Maintenance Inspection ' Recommended Maintenance Completed ' Oil & Filter Changed ' Air Filter Replaced ' Cabin Air Filter Replaced/Cleaned ' Four-Wheel Alignment Performed ' Brakes Checked ' Front Brake Pads Replaced ' Front Brake Rotors Resurfaced ' Wipers Replaced That's a great list of recent maintenance for the next owner and another indication that this truck has been properly cared for. Why This Sierra Denali Stands Out ' 3.0L Duramax Turbo-Diesel ' Four-Wheel Drive ' Denali Reserve Package ' Technology Package ' Power Sunroof ' GMC MultiPro Power Steps ' Premium Jet Black Denali Interior ' Crew Cab ' Florida History ' Rust-Free Condition ' Excellent Recent Dealer Service ' No Frame Damage ' No Airbag Deployment ' Premium Summit White Color ' Excellent Combination of Luxury & Capability This isn't a basic Sierra with a Denali badge. The Denali Reserve Package, Technology Package, sunroof, MultiPro power steps, and Duramax diesel make it a highly desirable configuration. Vehicle Overview ' 3.0L Duramax Turbo-Diesel Inline-6 ' 4WD ' Crew Cab ' 147" Wheelbase ' Denali Trim ' Automatic Transmission ' 60,519 Miles ' Summit White Exterior ' Jet Black Interior ' Engine Block Heater ' Premium Denali Appointments Premium Features & Options • Denali Reserve Package • Technology

It delivers the low-end torque truck owners want while offering excellent highway manners and impressive efficiency for a full-size 4WD pickup. Additional Benefits ' 6 Month / 6,000 Mile Powertrain Warranty Included ' CarChief Vehicle Locating System Included ' OBD-Connected Monitoring Capability ' Vehicle Diagnostics & Code Monitoring ' Extended Warranty Options Available ' Trades Welcome ' Financing Options Available ' Nationwide Shipping Available ' Doorstep Delivery Available Anywhere in the United States We complete over half of our sales out of state and can arrange transportation directly to your home or business anywhere in the country. Because this Sierra carries a State Certified Rebuilt Title, no remaining original GMC factory warranty should be assumed to apply. Extended coverage options may be available. Pricing Disclosure A \$1,295 dealer preparation package including the CarChief vehicle locating system will be added to the purchase price. This 2023 GMC Sierra 1500 Denali 4WD Crew Cab has 60,519 miles and carries a State Certified Rebuilt Title due to previous light front and rear damage. Most importantly, NO airbags deployed and there was NO frame damage. It is also a Florida truck, giving it a major advantage when it comes to the undercarriage—this is not a rusty northern truck. Its maintenance history is another major selling point. At 57,239 miles, it received substantial dealer service in Punta Gorda, Florida, including an oil change, filters, four-wheel alignment, brake inspection, new front brake pads, resurfaced front rotors, and more. Add in the 3.0L Duramax diesel, Denali Reserve Package, Technology Package, power sunroof, MultiPro power steps, 4WD, Summit White exterior, and luxurious Jet Black cabin, and you've got an exceptionally well-equipped premium truck. For someone comfortable with its fully disclosed rebuilt-title history, this Sierra offers a tremendous opportunity to own a loaded Duramax Denali with Florida history, excellent maintenance, and a clean rust-free undercarriage at a price reflecting its title status. +P Be sure to check out our Facebook page to see how many happy customers we've helped!
