Dealer notes

Looking for a versatile midsize truck that perfectly balances everyday utility with modern styling? This clean and capable 2022 GMC Canyon 2WD Ext Cab 128" Elevation Standard is the ideal choice for buyers seeking dependability and style. Finished in a striking White exterior, this pickup delivers a commanding street presence whether you are navigating city streets or heading out on a weekend project. Its extended cab configuration offers the perfect blend of cab utility and bed space, making it a highly practical option for drivers who demand both form and function from their vehicle. Under the hood, this 2022 GMC Canyon is powered by the robust 3.6L DI DOHC V6 VVT engine. This advanced 6-cylinder powerplant delivers responsive acceleration and reliable performance, ensuring you have the capability needed for hauling cargo or tackling your daily commutes with confidence. Paired with a rear-wheel-drive (2WD) drivetrain, this truck maximizes efficiency and handling dynamics, making it an agile and dependable partner for your everyday transport needs. Inside, the functional Gray interior is designed with driver comfort and daily usability in mind. Staying connected on the go is effortless thanks to the GMC Infotainment System, featuring an intuitive 7" diagonal color touch-screen. This model comes equipped with the Convenience Package and electronic automatic cruise control to elevate your driving experience and reduce fatigue on longer highway stretches. Complete with a front license plate kit, this 2022 GMC Canyon Elevation Standard represents an outstanding value for anyone seeking a modern, capable, and well-equipped midsize pickup truck.
