Dealer notes

The 2023 Ram 3500 Chassis Cab Tradesman offers a robust and reliable platform for heavy-duty tasks, pairing powerful performance with practicality. Its bold Flame Red Clearcoat exterior makes a striking impression, accentuating the truck's muscular stance and powerful capabilities. The interior, featuring Black cloth 40/20/40 bench seats, provides functional comfort, making it a practical choice for both everyday use and demanding workloads. Under the hood, the 6.7L I6 Cummins Turbo Diesel engine stands out, delivering exceptional torque and power for hauling and towing. Combined with the 6-speed Auto Aisin AS69RC HD transmission, this truck ensures smooth and efficient gear shifts, even under heavy loads. The rear-wheel drive with dual rear wheels enhances stability and traction, especially when carrying substantial weights, making it ideal for a variety of commercial applications. The Ram 3500's practicality is also highlighted by its dual fuel tanks, offering a 52 and 22-gallon capacity, reducing downtime with fewer stops for refueling. With a Crew Cab configuration, this truck provides ample cabin space for both passengers and additional storage, ensuring comfort during long hours on the road. The Tradesman package centers on functionality and durability, making this vehicle a dependable partner for businesses and individuals needing uncompromising performance.
