Dealer notes

ABSOLLUTELY AMAZING CONDITION 20K ORIGINAL MILE FULLY OPTIONED F350 LARIAT DRW 4WD POWERSTROKE DIESEL! FACTORY TOW BOSS PACKAGE!! YOUTUBE VIDEO LINKED BELOW!!! Absolutely amazing condition F-350 Super Duty Lariat Crew Cab Dually 4WD with the incredible Powerstroke Turbo Diesel engine and just 20K original miles. This truck is the ultimate tow rig with the factory Tow Boss Package and is actually rated to tow EVEN MORE than a similarly equipped F-450 of the same year! With a GCWR of 26,000 lbs, this truck is set up to tow just about anything you can put behind it, including over 5,000 lbs of payload in the bed, or your huge 5th wheel/gooseneck trailer. While this truck is set up for heavy towing, this example shows no signs of ever having towed anything at all, much less a heavy gooseneck, as it has never had any bed towing hitches installed in the hole-free bed with no signs of heavy hauling or other damage to the bed. This truck is in amazing condition inside and out including underneath with a nearly spotless frame and clean bed support rails as you can see in the photos. The interior is nearly new with no major signs of wear to be noted and no evidence of smoking. The paint and body are super clean as well with no major damages to be noted and only a few minor blemishes noted in the video. The truck runs and drives amazing with no known issues and is in all stock condition with no performance tuners or other emissions defeat devices. This truck is loaded with nearly every available factory option as shown on the original window sticker including: Lariat Ultimate Package, Lariat Chrome Package, Tow Boss Package, 6.4L Powerstroke turbo diesel engine, Power moonroof, FX4 Off -Road package, Remote start, Rapid supplemental heater system (a must have!), Shift-on-the-fly 4WD system, Upfitter switches, Dual power heated bucket seats with driver memory, GPS Navigation with backup camera, Premium sound system, Flat rear load floor, Power adjustable pedals, PowerScope power folding and telescoping mirrors, Power sliding rear window, 2-tone paint, and more. Truly an amazing find in this condition and mileage and the rare and highly sought after max capacity TOW BOSS PACKAGE!
