Dealer notes

If you are looking for the ultimate compact cargo solution that balances professional capability with a sleek, modern style, this 2021 Ford Transit Connect Van XLT LWB w/Rear Symmetrical Doors is the perfect fit. Finished in a striking Agate Black Metallic exterior, this versatile vehicle projects a highly polished and professional image for your business or personal fleet. Designed specifically to navigate tight city streets while offering the expansive cargo capacity of a Long Wheelbase (LWB) platform, this van is engineered to help you maximize daily productivity without sacrificing drivability. Under the hood, this utility van is powered by a responsive and efficient 2.0L GDI I-4 gas engine. This 2.0L 4-cylinder engine delivers a reliable balance of power and fuel economy, making it ideal for both stop-and-go urban deliveries and long-distance highway cruising. The Long Wheelbase configuration maximizes your usable cargo volume and payload capacity, ensuring you have the physical space and capability needed to transport tools, equipment, or merchandise securely and efficiently. To further enhance your daily operations, this model comes equipped with highly functional rear symmetrical doors, which swing open wide to allow for effortless loading and unloading even in tight parking spaces or crowded loading docks. It also features a heavy-duty battery to ensure dependable starting power and robust electrical performance during demanding workdays. Combining practical capability with the driver-focused comforts inherent to the XLT trim, this cargo van is an exceptional investment ready to elevate your on-the-road efficiency.
