Dealer notes

Introducing the 2024 Tesla Model Y Long Range AWD—a marvel of modern engineering, designed for those who crave innovation and efficiency. With its Pearl White Multi-Coat exterior, this electric vehicle exudes sophistication while turning heads on every street corner. Equipped with Tesla's advanced electric powertrain, it features a 0-cylinder engine, making it a true pioneer in the realm of eco-friendly driving. Step inside, and you'll be welcomed by a sleek, Black interior that complements the futuristic nature of the Model Y. Its cabin boasts an array of cutting-edge technology and unparalleled comfort, ensuring a premium experience for both driver and passengers. The Long Range AWD style offers superb handling and stability, providing confidence in various driving conditions thanks to its all-wheel-drive system. This Model Y is a Carfax 1-Owner vehicle, which speaks to its well-maintained history and reliability. Perfect for both long journeys and urban commutes, its impressive range ensures you spend more time on the road and less time charging. As part of Tesla's commitment to sustainability and performance, this Model Y embodies the next frontier in transportation while delivering on the promise of a clean and efficient future.
