Dealer notes

Up for sale is a 1963 Pontiac Catalina Convertible-an honest barn find we took in on trade, just as you see it. It's powered by a 389 V8 paired with a 3-speed automatic transmission. The car starts, runs, and lot drives. Brakes are functional but soft, so the system will need a full inspection. The power top isn't working, so it must be operated manually for now. This Catalina comes with a clean title, a solid undercarriage, and a collection of extra parts. A great candidate for restoration with solid bones and plenty of potential. Bring it back to life and enjoy a true piece of Pontiac history. Call us at 763-434-6565 / 763-999-1098 or email "route65sales@gmail.com" to inquire about this 1963 Pontiac Catalina Convertible.
