Dealer notes

If you are searching for a midsize truck that balances legendary reliability with daily utility, this 2013 Toyota Tacoma 2WD Access Cab is the perfect match. Finished in a clean and classic Super White exterior, this truck offers an ideal configuration for buyers who need a dependable workhorse or an efficient daily driver. The Access Cab design provides the perfect balance of cabin versatility and cargo bed utility, making it highly sought-after for those who demand practical capability without the bulky footprint of a full-size pickup. Under the hood, this 2013 Toyota Tacoma is powered by a fuel-efficient 2.7L 4-cylinder engine paired with an automatic transmission. This proven powertrain combination is renowned for its durability and cost-effective operation, delivering a responsive driving experience while keeping fuel stops to a minimum. As a rear-wheel-drive (2WD) pickup, it offers excellent maneuverability and smooth highway cruising, making it an outstanding choice for managing daily commutes, hauling light payloads, and navigating tight spaces with ease. Inside, the cabin features a functional Graphite interior designed for straightforward comfort and long-lasting durability. The Access Cab layout ensures extra, secure storage space behind the front seats while maintaining a focused, driver-centric cockpit. With its striking Super White paint and a reputation for longevity, this 2013 Toyota Tacoma represents an incredible value for anyone seeking a versatile and highly efficient midsize truck.
