Dealer notes

2014 Isuzu NPR HD box truck lawn service vehicle. This diesel Isuzu box truck measures 16 feet long, 7 feet 9 inches wide, and 7 feet tall, with an angled rear dovetail and a long set of 8'9 foot fold-down ramps for easy access. While ideal for lawn mowers and landscaping equipment, it could also be used for recreational vehicles and many other applications. This unit was locally owned and has excellent-condition Firestone tires all the way around. The diesel engine runs great, and the cab-over design provides an excellent turning radius. Maintenance has been properly kept up on this vehicle, and the body and box are in solid condition with no noticeable leaks. Ideal for a grass-cutting or lawn service business, but versatile enough for many other uses as well. Either way, this is a ready-to-go work vehicle. Price does not include \$0 processing fee
