Dealer notes

STATE CERTIFIED REBUILT TITLE – 2023 Dodge Durango GT Plus AWD – 72,009 Miles – Blacktop Package – GT Plus – White Knuckle Clearcoat – Strong Service History This 2023 Dodge Durango GT Plus AWD combines aggressive Dodge styling, three-row versatility, and year-round AWD capability. Finished in White Knuckle Clearcoat with the dark exterior accents of the Blacktop Package, this Durango has the muscular appearance that makes these SUVs stand apart from typical family crossovers. Inside, the Black leather-trimmed interior provides a premium and comfortable cabin, while the Quick Order Package 2BG GT Plus adds desirable convenience and comfort equipment. Power comes from the proven 3.6L Pentastar V6 paired with an 8-speed automatic transmission and AWD. Vehicle History & Condition This Durango carries a State Certified Rebuilt Title following a previous localized interior burn in the dashboard area. This was not a major vehicle fire. The affected area was concentrated around a portion of the dashboard. However, the incident caused the odometer/instrument cluster to become inoperative, which resulted in the auction disclosing the vehicle as Not Actual Mileage (NAM) for liability and mileage-verification purposes. Important history information: Odometer Currently Displays 72,009 Miles Not Actual Mileage / Mileage Not Guaranteed CARFAX Mileage Progression Is Consistent Good Service History Localized Dashboard-Area Burn History Not a Major Vehicle Fire Instrument Cluster Was Affected Repaired, Inspected & State Certified Although the mileage progression shown on CARFAX is consistent with the current odometer reading, because the cluster was affected and the auction designated the mileage as not actual, we are disclosing the mileage as Not Actual and are not representing 72,009 as guaranteed actual mileage. Why This Durango Stands Out The GT Plus with Blacktop Package is an excellent combination for someone who wants the aggressive appearance of a Durango without moving into the higher cost and fuel consumption of the V8 performance models. The White Knuckle exterior contrasts perfectly with the Blacktop styling, while the leather-trimmed cabin and three-row layout make it practical enough for everyday family use. Its previous history and NAM disclosure are reflected in the value, making it worth considering for a buyer who understands the history and prioritizes equipment, condition, and price. Vehicle Overview 3.6L Pentastar V6 8-Speed Automatic Transmission All-Wheel Drive GT Plus Trim Quick Order Package 2BG Blacktop Package White Knuckle Clearcoat Black Interior Leather-Trimmed Bucket Seats Three-Row Seating Odometer Displays 72,009 Miles GT Plus & Blacktop Equipment The GT Plus adds premium comfort and convenience while the Blacktop Package gives the Durango its darker, sportier exterior appearance. Features include, as equipped: Black Exterior Accents Black Wheels Leather-Trimmed Bucket Seats Heated Front Seats Heated Second-Row Seats Heated Steering Wheel Power Front Seats Driver Memory Remote Start Power Liftgate Three-Row Seating Tri-Zone Automatic Climate Control Technology & Entertainment Uconnect Infotainment System

Its 8-speed automatic transmission helps keep power delivery refined and responsive. AWD adds another layer of practicality for changing road conditions, particularly during rain and winter weather, while the Durango's three-row configuration provides the passenger and cargo flexibility expected from a larger SUV. Additional Benefits GT Plus Trim Blacktop Package AWD Three-Row Seating Leather-Trimmed Interior Good Service Record State Inspected & Certified CarChief Vehicle Locating System Included OBD Monitoring & Diagnostics Trades Welcome Financing Available Nationwide Shipping Doorstep Delivery We complete over half of our sales out of state, and our team can assist with purchasing and transportation nationwide. Pricing Disclosure A \$1,295 dealer preparation package including the CarChief Vehicle Locating System will be added to the purchase price. This Durango carries a State Certified Rebuilt Title following a previous localized interior burn around the dashboard area. The incident was not a major vehicle fire, but it affected the instrument cluster and caused the odometer display to become inoperative. Because of this, the auction designated the vehicle as Not Actual Mileage (NAM) for liability and mileage-verification purposes. The odometer currently displays 72,009 miles, and the mileage progression shown on CARFAX is consistent; however, the actual mileage is not guaranteed and the vehicle is being sold with the appropriate NAM disclosure. The title and mileage history are reflected in the selling price, providing buyers with a transparent opportunity to purchase a well-equipped 2023 Dodge Durango GT Plus AWD with the Blacktop Package at an attractive value.
