Dealer notes

Meet the Gray 2021 RAM 1500 Classica used truck thats ready to turn maybe later into lets go now. Under the hood is a 3.6L V6 gas engine that keeps things smooth and confident, and with driver-selectable shifting you can tailor the feel to your day. When the forecast gets messy or the road disappears, part-time 4WD and an electronic transfer case help you stay in control, backed by four-wheel disc brakes with ABS, brake assist, and hill hold control. This Classic is built for real-world work and weekend plans alike: a regular box for the gear, a trailer wiring harness when its time to hook up, and a big fuel tank to stretch the adventure. Practical touches like a step bumper, cargo lamp, deep tinted glass, and a tailgate thats ready for loading duty make it easy to live with. Inside, it keeps things straightforward and comfortable with supportive cloth seating, smart storage throughout, cruise control on the steering wheel, a driver information center with compass and outside temp, and streaming audio through a 6-speaker setup. Parking is simpler too, thanks to the ParkView back-up camera. And for extra peace of mind, a CARFAX report is available.
