Dealer notes

Meet the Silver 2020 Chevrolet Silverado 1500a used full-size truck that's equal parts hardworking and ready for fun. Under the hood lives a gasoline 5.3L EcoTec3 V8 that knows how to bring the muscle when you ask, yet smartly adapts with Dynamic Fuel Management to balance power and efficiency. Add in 4WD with an electronic Autotrac transfer case and a heavy-duty locking rear differential, and you've got confident traction for job sites, back roads, and messy weather alike. When it's time to put in work, this Silverado comes prepared with a trailering setup that makes hooking up and heading out feel refreshingly straightforward, complete with integrated trailer brake control and helpful hitch guidance. The Durabed and its abundant tie-down points are ready for weekend projects, gear runs, or whatever your plans demand, while smart touches like CornerStep bumpers and LED bed lighting make loading up after dark a whole lot easier. Inside, it's comfortable and modern, with supportive power-adjustable front seats, a heated leather-wrapped steering wheel, HD radio through a 6-speaker system, and Wi-Fi hotspot capability to keep everyone connected. Safety tech like StabiliTrak and Teen Driver adds extra peace of mind. And yes, a CARFAX report is available for this Silverado, so you can shop with confidence. At Montage Motors LLC, quality is never compromised; we only sell hand-picked high-quality used cars, trucks, & SUV's. For our customer's peace of mind, we offer: A Free Carfax Vehicle
