Dealer notes

Hybrid Gas Saver! Discover the perfect blend of efficiency, style, and modern practicality with this 2016 Ford Fusion S Hybrid FWD. Finished in a timeless Oxford White exterior, this eco-friendly sedan is designed for drivers who refuse to compromise on fuel economy or on-road presence. As a smart choice for daily commuters and eco-conscious motorists alike, this hybrid sedan offers a sophisticated aesthetic paired with the reliable engineering that has made the Ford Fusion a standout choice in the midsize sedan segment. Under the hood, the performance of this vehicle is defined by its innovative 2.0L iVCT Atkinson Cycle I-4 Hybrid engine, seamlessly combining gasoline and electric power to deliver an exceptionally smooth and responsive driving experience. This front-wheel-drive (FWD) system optimizes power delivery while keeping your fuel consumption to a minimum. Additionally, this model features a California emissions system, ensuring that your hybrid powertrain meets strict environmental standards while maximizing your driving range and efficiency. Inside, the cabin welcomes you with a comfortable Earth Gray interior configured with Equipment Group 400a. On the outside, daytime running lamps enhance your visibility and safety on the road, while the included front license plate bracket provides practical convenience. Whether you are navigating busy city streets or cruising on the open highway, this 2016 Ford Fusion S Hybrid FWD delivers a balanced, highly economical, and comfortable driving experience that is ready for your garage.
