Dealer notes

Step into the future of American muscle with the striking 2025 Dodge Charger Daytona R/T AWD. Finished in a head-turning White Knuckle exterior color, this all-electric vehicle redefines modern performance while honoring its bold heritage. Combining iconic, aggressive styling with an advanced zero-emission design, this vehicle is crafted for drivers who want to make a powerful statement on the road while embracing the next generation of automotive innovation. Underneath its sculpted body, the 2025 Dodge Charger Daytona R/T AWD delivers thrilling capability driven by its 400V G2500 front and rear electric drive motors. This high-performance dual-motor configuration powers an advanced All Wheel Drive system, providing exceptional traction, precise handling, and immediate power delivery to all four wheels. Emphasizing electric efficiency and modern dynamics, this electric powertrain ensures a highly responsive and controlled driving experience across a variety of road conditions. Inside, the refined cabin boasts a sleek Black interior equipped with premium black leatherette and cloth performance seats designed to support you through every corner. This model features the exclusive Quick Order Package 25M R/T and the distinctive Blacktop Package, which adds a customized, aggressive look to the vehicle's overall aesthetic. With its perfect blend of cutting-edge electric performance, sophisticated interior comfort, and standout styling features, the 2025 Dodge Charger Daytona R/T AWD represents the ultimate fusion of modern technology and classic performance attitude.
