Dealer notes

Step up your driving experience with the stunning 2024 GMC Sierra 1500 4WD Crew Cab 147" Elevation. Finished in a striking Sterling Metallic exterior that perfectly contrasts with its refined Jet Black interior, this light-duty pickup commands attention on any road or trail. Engineered for drivers who demand both bold styling and modern sophistication, the Elevation trim delivers an athletic, commanding stance complemented by bright LED headlights that illuminate your path ahead. Whether you are navigating busy city streets or heading out on a weekend getaway, this crew cab offers the perfect blend of eye-catching design and spacious utility. Under the hood, this 2024 GMC Sierra 1500 is powered by a robust 5.3L 8-cylinder engine paired with a capable Four Wheel Drive system, offering the muscle and traction needed to conquer challenging terrain and demanding tasks. Built with towing and hauling in mind, this truck is equipped with a comprehensive towing package, an integrated trailer brake controller, and a reliable 170-amp alternator to manage your electrical needs under heavy loads. An engine block heater ensures reliable starts in colder climates, while the rugged spray-on bedliner protects your cargo bed from wear and tear during tough jobs. Inside the cabin, modern technology and premium comfort take center stage to elevate your daily drive. The interior features a massive 13.4" diagonal premium GMC Infotainment System with Google built-in apps, giving you seamless access to navigation, voice assistance, and Bluetooth connectivity on a brilliant color multi-touch screen. Stay comfortable in any weather with heated seats and the convenience of remote start, while driving with peace of mind thanks to active safety features like forward collision warning, lane departure warning, and lane keep assist. The 2024 GMC Sierra 1500 Elevation is the ultimate package of modern luxury, innovative tech, and hard-working capability, making it the ideal choice for your next truck.
