Dealer notes

The 2023 Mitsubishi Outlander PHEV SEL S-AWC is a remarkable blend of efficiency, technology, and design. This Carfax 1-Owner vehicle exhibits the pristine condition and meticulous care expected from its single owner history. With a robust 2.4L 4-cylinder engine, this plug-in hybrid efficiently balances power and eco-friendliness, making each journey smoother and kinder to the environment. Designed with versatility and comfort in mind, the Outlander PHEV includes the sophisticated SEL S-AWC styling. Its All Wheel Drive (AWD) system ensures confident and controlled driving across various terrains and weather conditions. The spacious interior is furnished with high-quality materials, offering ample room for both passengers and cargo. Advanced technology features such as an intuitive infotainment system and driver-assistance tools ensure an engaging and safe driving experience. Externally, the Mitsubishi Outlander PHEV presents a sleek and contemporary aesthetic, marked by bold lines and a dynamic silhouette. Its aerodynamic design not only enhances performance but also contributes to the vehicle's impressive fuel efficiency. This SUV is ideal for those seeking a reliable and stylish vehicle with the added benefits of electric hybrid technology. Whether navigating city streets or exploring country roads, the Outlander embodies a perfect fusion of innovation and practicality.
