Dealer notes

Elevate your daily commute with this sleek and sophisticated 2016 Ford Fusion SE Hybrid. Striking a perfect balance between modern design and eco-conscious efficiency, this midsize sedan makes a bold statement with its dramatic Shadow Black exterior. Step inside to find a refined Charcoal Black interior that offers a cohesive, comfortable, and welcoming cabin environment. For buyers seeking a stylish, reliable, and fuel-efficient vehicle, this FWD hybrid sedan represents an outstanding value. Under the hood, this 2016 Ford Fusion is powered by an efficient 2.0L iVCT Atkinson Cycle I-4 Hybrid engine. This advanced powertrain is engineered to deliver a seamless blend of electric and gasoline power, optimizing fuel economy for both city stop-and-go traffic and highway cruising. Furthermore, this model features a California emissions system, ensuring it meets stringent environmental standards while delivering a clean, responsible, and smooth front-wheel-drive performance. Equipped with the practical Equipment Group 500a, this sedan comes tailored with essential features that enhance your daily driving experience. The exterior is outfitted with daytime running lamps to maximize your on-road visibility and safety, alongside a pre-installed front license plate bracket for regional compliance. Combining eco-friendly engineering with timeless styling, this 2016 Ford Fusion SE Hybrid is the perfect upgrade for any modern driver looking to save at the pump without compromising on road presence.
