Dealer notes

2022 Ford Shelby GT500 CARBON FIBER TRACK PACK | GOLDEN TICKET CAR | \$100K+ MSRP
This is not just another GT500. This is the real deal a fully loaded 2022 Shelby GT500 equipped with the ultra-rare Carbon Fiber Track Pack, Technology Package, and most importantly, this is a Golden Ticket GT500, making it one of the most collectible modern Mustangs ever produced. Finished in Shadow Black over Ebony Recaro Interior, this GT500 was purpose-built from the factory to dominate both the street and the track while still maintaining high-end technology and comfort features. Powered by the hand-built supercharged 5.2L Predator V8 pushing 760 horsepower through a lightning-fast Tremec 7-speed dual-clutch transmission, the GT500 delivers an absolutely violent driving experience unlike anything else in its class.

WHAT MAKES THIS ONE SPECIAL GOLDEN TICKET GT500: This GT500 comes with the highly sought-after Golden Ticket from Shelby American. Only select GT500 owners received this exclusive invitation from Shelby, giving them the opportunity to purchase the ultra-exclusive Shelby GT500KR program. The Golden Ticket package includes: Official Shelby GT500 Golden Ticket Documentation Eligibility for the Shelby GT500KR Upgrade Program Shelby Registry Inclusion Shelby Exclusive Ownership Recognition Increased Collectability and Enthusiast Value One of the Most Desirable Shelby Allocations Produced

The Golden Ticket GT500s have become extremely collectible in the Shelby community and are widely considered the most desirable GT500s to own due to their rarity and direct connection to Shelby American. This car carried an original MSRP of over \$102,000 and was spec'd exactly how enthusiasts wanted them Carbon Fiber Track Pack, Technology Package, Shadow Black, and Golden Ticket status. This is the type of Shelby that disappears into collections and rarely becomes available.
