Click [here](#) to view your video from Tim Vanzile Designed to elevate your business operations, the 2025 Ram ProMaster Cargo Van Tradesman 2500 High Roof 159" WB w/Pass Seat stands out as the ultimate mobile workstation. Finished in a professional Bright White Clearcoat, this commercial vehicle is engineered to maximize productivity and efficiency for contractors, delivery services, and fleet operators alike. Boasting a high roof configuration and a spacious 159-inch wheelbase, this van provides the expansive vertical and horizontal clearance needed to transport large payloads and navigate daily work demands with absolute ease. Under the hood, this capable workhorse is powered by a dependable 3.6L 6-cylinder engine, delivering the strength and smooth power delivery required to haul heavy cargo across town or down the highway. The utility of this Tradesman 2500 is further enhanced by the heavy-duty MOPAR cargo load floor, which provides a durable, flat surface designed to withstand the wear and tear of loading heavy equipment, tools, and materials. With its impressive powertrain and rugged design, this vehicle is built to handle your most demanding transport challenges while maintaining excellent drivability. Inside, the functional Black interior is thoughtfully configured with a dedicated passenger seat and the versatile Crew Van Package, ensuring your team has the space they need. This model is exceptionally well-equipped with premium packages, including the Premium Convenience Group for modern cabin tech, the Cold Weather Group to keep occupants comfortable in harsh winter climates, and the advanced Safety Group to protect your crew and cargo on every route. The 2025 Ram ProMaster Cargo Van represents the ideal combination of security, capability, and convenience, making it an invaluable asset that is ready to drive your business forward.
