Dealer notes

This Jeep Wrangler Unlimited Rubicon 4x4 is a bright red, lifted four-door Jeep that is well equipped and turnkey, making it an excellent and affordable entry into a properly built Wrangler. It features a Rough Country adjustable suspension lift with replacement control arms, custom metal inner fenders, flat fender replacements, and rides on aggressive 35x20 mud-terrain tires mounted to Fuel-style Hostile wheels. Additional upgrades include an aftermarket front bumper with winch mount, LED lighting and fog lights, a custom rear bumper with LED lights and receiver hitch, aftermarket hood latches, and full hardtop with removable T-top panels and hard doors. Inside, the Jeep offers power windows and door locks, a touchscreen stereo that still has the protective plastic intact, a factory sound bar, and more. This Rubicon has been recently serviced and freshly inspected and is fully ready to jump in and drive. The only noted cosmetic drawback is some paint fade on the hood from its time in the Florida sun; otherwise, this is a solid, well-sorted Wrangler ready to go with no excuses.
