Estimated Payment Approximately \$954 per month Based on \$69,987 at 6.99% APR for 96 months Plus tax, title, and plate. With approved credit. Experience premium full-size SUV luxury in this 2025 GMC Yukon Denali 4WD, combining powerful V8 performance, exceptional comfort, advanced technology, and impressive three-row versatility. Powered by GMC's 6.2L EcoTec3 V8, producing 420 horsepower and 460 lb-ft of torque, this Yukon delivers smooth acceleration and confident towing capability. The 10-speed automatic transmission, 4WD, and Magnetic Ride Control provide a refined driving experience whether you're traveling the highway or navigating Northern Michigan winters. This Denali is exceptionally well equipped with the desirable Sun & Power Step Package, featuring a dual-pane panoramic power sunroof and power-retractable assist steps. Additional highlights include 22-inch low-gloss black wheels, heated and ventilated front seats, second-row bucket seats, a 15-inch Head-Up Display, and premium Bose audio. With only 12,670 miles and a newly reduced price of \$69,987, this 2025 Yukon Denali offers an outstanding opportunity to own a late-model luxury SUV for under \$70,000!
