This example takes the platform considerably further with a carefully selected collection of premium upgrades. The ESS supercharger system adds another level of performance to the V10, while the Capristo valved exhaust delivers a more aggressive exhaust note with the flexibility of a controllable valve system. Öhlins adjustable suspension and HRE wheels further enhance the chassis and appearance, while the factory carbon ceramic brakes provide the braking hardware to complement the increased performance. Finished in desirable Suzuka Gray with a Black Diamond-Stitched interior and protected by full-car PPF, this 1-owner R8 Spyder offers an exceptional combination of V10 sound, supercharged performance, premium modifications, and open-top driving.
