This 2020 Audi S5 Sportback Prestige quattro has 56,164 miles and carries a State Certified Rebuilt Title due to a previous rear-end collision. The vehicle has since been repaired and completed the required state certification process. What really separates this S5 is its specification and history. It comes from Kansas with an excellent documented history record and is loaded with desirable equipment, including the Prestige trim, S Sport Package, Black Optic Package, quattro AWD, and 20" performance setup. Then there's the color combination: Glacier White Metallic over Magma Red Fine Nappa leather. It's exactly the kind of combination buyers look for on an S-model Audi and gives the car a completely different presence from the typical black-on-black examples. For someone comfortable with its fully disclosed rebuilt-title history, this S5 offers an opportunity to own a beautifully optioned, 349-horsepower quattro performance Sportback for significantly less than a comparable clean-title example. +P Be sure to check out our Facebook profile to see how many happy customers we've had!
