Dealer notes

Discover the perfect blend of modern sophistication and everyday practicality with this stunning 2020 Volkswagen Jetta SEL. Finished in a crisp and timeless Pure White exterior, this upscale compact sedan instantly commands attention on the road with its sleek lines and refined profile. Inside, the cabin welcomes you with a meticulously crafted Titan Black interior that balances premium comfort with cutting-edge technology. Whether you are upgrading your daily commute or embarking on a weekend road trip, this Jetta SEL offers an elevated driving experience that stands out in its class. Beneath the hood lies an efficient yet spirited 1.4L turbocharged 4-cylinder engine, paired with a smooth-shifting automatic transmission. This advanced powertrain is engineered to deliver responsive acceleration while maintaining exceptional fuel economy, making it an ideal choice for both city driving and highway cruising. As an Ultra-Low Emission Vehicle (ULEV), it offers an environmentally conscious performance without sacrificing the engaging, dynamic handling that Volkswagen is famous for. The balance of power and efficiency ensures a confident and rewarding ride every time you step on the gas. Inside the cabin, the 2020 Volkswagen Jetta SEL surrounds you with high-end standard features designed for ultimate comfort and convenience. The Titan Black seating is complemented by the customizable VW Digital Cockpit and a premium BeatsAudio system, offering a highly connected and immersive audio-visual environment. Passengers can enjoy the open-air feel of the standard panoramic sunroof, while heated front seats keep you comfortable during chilly mornings. Complete with advanced driver-assistance features like Adaptive Cruise Control and Lane Assist, this elegant sedan represents an exceptional value for buyers seeking tech-forward luxury, safety, and reliability in one complete package.
