Dealer notes

The 2023 GMC Sierra 1500 4WD Crew Cab 147" AT4, with its striking Summit White exterior, offers an impressive blend of performance and style. Inside, you'll find a sophisticated Jet Black interior accented with Kalahari trim, ensuring a luxurious and comfortable ride for all passengers. Underneath the hood lies a robust 6.2L EcoTec3 V8 engine designed for power and efficiency, supported by a heavy-duty 730 cold-cranking amps battery and a 170-amp alternator for reliable performance. This Sierra AT4 is equipped with a range of advanced features, including wireless charging, Bluetooth connectivity, and intuitive safety technologies like forward collision warning, blind spot monitoring, lane departure warning, and lane keep assist. Comfort is prioritized with heated and ventilated seats, while the rain-sensing wipers add convenience during wet weather. The vehicle also includes an auxiliary external transmission oil cooler and an external engine oil cooler, contributing to the durability and longevity of the mechanics. Designed for both adventure and practicality, the Sierra AT4 features a comprehensive towing package suited for your hauling needs. Whether you're traversing rugged terrains or cruising city streets, the four-wheel-drive system ensures optimal traction and control. Representing a perfect combination of rugged capability and refined elegance, the 2023 GMC Sierra 1500 AT4 is ready to meet any challenge.
