Dealer notes

Few automobiles combine breathtaking Italian design, everyday grand-touring comfort and genuine motorsport character quite like the 2018 Maserati GranTurismo MC. As the most aggressive expression of the GranTurismo, the MC features distinctive aerodynamic bodywork, a deep front splitter, sculpted side skirts, a prominent rear diffuser and unmistakable center-mounted dual exhaust outlets. At its heart is a naturally aspirated 4.7-liter V8 from the celebrated Ferrari-Maserati F136 engine family, producing 454 horsepower and 384 lb-ft of torque. Paired with a six-speed automatic transmission, paddle shifters, rear-wheel drive and a limited-slip differential, the GranTurismo MC delivers exhilarating performance accompanied by one of the most memorable exhaust notes in modern motoring. With a top speed of approximately 185 mph, its performance is every bit as dramatic as its appearance. This CARFAX-certified three-owner example has no accidents or damage reported or detectable. It is unquestionably one of the best-looking and most comprehensively equipped GranTurismos we have encountered. The car has spent its entire life in warm-weather states and has benefited from frequent visits to authorized Maserati service centers, reflecting a history of attentive care. Inside, the GranTurismo MC blends handcrafted Italian luxury with race-inspired detailing. Supple perforated leather, contrast stitching and extensive carbon-fiber trim create a cabin that feels both elegant and purposeful. Unlike many exotic performance cars, it also offers seating for four, making it a genuinely usable grand tourer. This exceptional example left the factory with nearly \$14,000 in desirable options: 20-inch MC Design wheels in Shiny Titanium finish — \$2,000 Full Interior Carbon-Fiber Package — \$7,450 Carbon-fiber and leather steering wheel — \$1,300 Custom-color dashboard and rear parcel shelf — \$1,250 Perforated leather seating — \$850 Red brake calipers — \$800 Deviated-color leather stitching — \$300 The 2018 model also benefits from Maserati's updated 8.4-inch touchscreen infotainment system with navigation, Apple CarPlay and Android Auto. It combines improved modern usability with the naturally aspirated V8, hydraulic steering and unmistakable character that make this generation so special. With its extraordinary specification, aggressive MC styling and glorious Italian V8 soundtrack, this GranTurismo offers an increasingly rare driving experience. It is more than simply a beautiful luxury coupe—it is an occasion every time the engine is started.
