Dealer notes

Used cars. Financing provided by dealership, focused on low/fixed income recipients. We require a down payment on the vehicles we are planning to finance. Some cars - not many - require outside financing. Also, some vehicles are not financed due to consignment agreements. Message us today and we'll be happy to help! Mitchell Auto Sales, LLC is here to provide a service to the local community. We want to help those who are frequently turned down due to their credit or income status. We're people helping people; we know how rough it can be at times. Ethical used car sales is our specialty.
