Dealer notes

STATE CERTIFIED REBUILT TITLE – ONLY 19,284 MILES – SCAT PACK WIDEBODY – 6.4L HEMI V8 – PLUS PACKAGE – SUNROOF – SMOKE SHOW – 2022 Dodge Challenger R/T Scat Pack Widebody Experience modern American muscle at its finest with this stunning 2022 Dodge Challenger R/T Scat Pack Widebody RWD. Finished in the highly desirable Smoke Show exterior over a sporty Black interior, this Challenger combines an unmistakable Widebody stance with naturally aspirated HEMI V8 power and an excellent selection of factory options. With only 19,284 miles, this Scat Pack carries a State Certified Rebuilt Title due to previous right-front damage. An important part of its history is that the damage occurred approximately 5,000 miles ago, meaning the vehicle has accumulated roughly 5,000 miles since the incident and subsequent repair. For buyers who want a low-mileage Widebody Scat Pack without paying typical clean-title pricing, this one deserves serious consideration. Vehicle History & Condition ' State Certified Rebuilt Title ' Only 19,284 Miles ' Previous Right-Front Damage ' Damage Occurred Approximately 5,000 Miles Ago ' Approximately 5,000 Miles Driven Since the Incident/Repair ' Professionally Repaired ' State Inspected & Certified ' Low-Mileage Performance Car ' Beautiful Smoke Show Exterior ' Highly Desirable Widebody Configuration This Challenger received its rebuilt-title status following previous right-front damage. The vehicle has since been repaired and completed the required state certification process. One of the notable points with this particular car is that the incident did not just happen yesterday. It occurred roughly 5,000 miles ago, and the Challenger has continued to be driven since then. The rebuilt-title history is fully disclosed and reflected in the vehicle's pricing. Pricing Disclosure A \$1,295 dealer preparation package including the CarChief vehicle locating system will be added to the purchase price. This 2022 Dodge Challenger R/T Scat Pack Widebody RWD has only 19,284 miles and carries a State Certified Rebuilt Title due to previous right-front damage. The incident occurred approximately 5,000 miles ago, and the vehicle has subsequently accumulated roughly 5,000 miles of driving since the damage and repair. It has also completed the required state certification process. Beyond its title history, this is an exceptionally desirable muscle car. The combination of the 6.4L 392 HEMI V8, 485 horsepower, factory Widebody configuration, Smoke Show exterior, Plus Package, Driver Convenience Group, power sunroof, and 8-speed automatic transmission makes this a seriously attractive specification. If you're looking for a low-mileage Scat Pack Widebody and would rather take advantage of rebuilt-title savings than pay the premium typically associated with a comparable clean-title example, this Challenger delivers an incredible amount of performance and presence for the money. +P Be sure to check out our Facebook page to see how many happy customers we've helped!
