Dealer notes

Finished in extraordinary Chalk, this 2021 Porsche 718 Boxster S pairs one of Porsche's most distinctive exterior colors with the balance, precision, and open-air enjoyment that make its mid-engine roadsters so special. Chalk's subtle gray tone beautifully highlights the Boxster's sculpted bodywork, giving this example an understated yet unmistakable presence. Behind the cockpit sits a 2.5-liter turbocharged flat-four producing 350 horsepower and 309 lb-ft of torque. Its broad torque delivery provides strong acceleration, while the mid-engine layout, responsive steering, and rear-wheel-drive chassis create an exceptionally engaging driving experience. The S delivers an additional 50 horsepower over the standard Boxster, adding even more excitement to an already accomplished sports car. This two-owner example has received most of its services at authorized Porsche dealerships, including Porsche Beverly Hills. Its impeccable original condition speaks to the care and pride of its previous owners, and our inspection reveals no visible signs of track use. Southern California's mild temperatures, generally dry weather, and limited exposure to harsh winters and road salt make it an exceptional environment for vehicle preservation. The outstanding presentation of this Boxster S reflects the benefits of that climate alongside attentive ownership and regular maintenance. For the enthusiast seeking a beautifully preserved Porsche roadster in a truly special color, this Chalk Boxster S offers a compelling combination of performance, style, and documented care. Shipping, Financing & Protection Plans Supreme Motors offers financing assistance for qualified buyers and regularly arranges nationwide vehicle transportation.
