Dealer notes

Sold to a customer in Fredericksburg, VA. 1987 Jeep Grand Wagoneer Classic SUV Lifted. For somebody looking for the wow factor and over the top this rig is the one this unit was built from a completely stock grandpa vehicle by one of our family members. This 8 lug converted monster suv is a huge crowd grabber but also a great driver. A few of the big points on this one are one ton axle conversion, Dana 60 / corp 14 bolt with disc brake conversion 35 inch super swamper Boggers on custom built offset 14 wide wheels, 4.11 gear ratio and approximately 8 inches of suspension lift with Fox shocks. 360 5.9 v8 engine and Per the previous owner, this unit had a low mileage replacement engine, but no paperwork to verify. Paint finish on the truck is actually in good shape due to the age. Interior is very complete does have fitted seat covers over the seats aftermarket stereo, sunroof, custom speaker boxes, even the intact headliner with the wood strips still in place. This truck is by no means perfect, but it is a great driver even his wife drove it on most occasions to several car shows and events and we can 100% attest you will not find anything for this price point that gets more attention anywhere you go!
