Dealer notes

If you are looking for a reliable, high-capacity work vehicle to elevate your business operations, this 2021 Chevrolet Express Cargo Van RWD 2500 with a 155-inch wheelbase is the ultimate choice. Finished in a professional Summit White exterior, this commercial van offers a clean, prominent canvas for your company's branding while delivering the legendary durability Chevrolet is known for. Engineered to handle demanding daily tasks, this long-wheelbase cargo van provides the extensive rear space and trusted capability that transport-focused businesses and tradespeople depend on. Under the hood, this 2021 Chevrolet Express Cargo Van is powered by an efficient and capable 4.3L 6-cylinder engine that balances daily drivability with the muscle needed for hauling. The rear-wheel-drive (RWD) 2500 platform, combined with the extended 155" wheelbase, offers excellent stability and weight distribution when carrying heavy cargo. Additionally, this van is equipped with a heavy-duty locking rear differential, providing critical traction and control on uneven job sites, gravel roads, or inclement weather conditions. Inside, the cabin features a practical Neutral interior designed for comfort and durability during long hours on the road. Driver efficiency and comfort are greatly enhanced by the included Driver Convenience Package, which features cruise control for relaxed highway driving and remote keyless entry for quick access while loading and unloading. A premium, leather-wrapped steering wheel adds a touch of comfort to the driver's interface, making this 2021 Chevrolet Express Cargo Van as pleasant to drive as it is productive for your business.
