Dealer notes

2017 Polaris 1000 RZR SXS Side by Side Razor. This unit before modifications was an adult Grandpa owned unit. Literally no usage at all on this 100 mile unit. Modifications were performed on ride since basically still brand new as far as accesories as well. A few of the upgrades include Deviant bumper and winch mount, Walker Evans coil over shocks, sidestep and rock tree guards, color matched low profile cage and other accessories including the bead lock system, 30 inch tires 15 inch wheels, super grip bed tiedowns, Polaris Bluetooth stereo, windshield, roof, rearview mirror, side door upgrade and storage compartments, LED light bar and the list could go on. This was built for the wife of the previous owner with the custom colors. This unit stands out, freshly serviced through our shop and going over to be sure it's trail ready. Down payment and layaway programs available to discuss.
