Dealer notes

If you are searching for an exceptional commercial workhorse or the ideal foundation for a custom build, this low-mileage 2020 Ram ProMaster Cargo Van 3500 High Roof 159" WB EXT delivers outstanding value and capability. Boasting a clean CARFAX 1-Owner history and just 35,824 miles on the odometer, this heavy-duty cargo van provides the maximum vertical clearance and extended length available in the ProMaster lineup. Its spacious high roof and extended wheelbase make it a standout choice for contractors, fleet managers, and custom vehicle builders looking for a well-maintained, ready-to-work platform. Powered by a proven 3.6L 6-cylinder engine, this 2020 Ram ProMaster Cargo Van delivers the reliable performance and muscle required to handle heavy payloads and demanding daily routes. The 159-inch extended wheelbase combined with the high roof design creates an expansive interior cargo area, allowing workers to comfortably stand upright inside while loading gear, installing shelving, or hauling large cargo. Engineered around maximum commercial utility, its low load-floor height and optimized cargo dimensions ensure efficient loading and seamless everyday operation. Inside, the clean Black interior offers a functional, driver-focused cabin built for long days on the job. This specialized model comes uniquely prepared for advanced setups, featuring both the factory RV Ready Prep Package and the Ambulance Prep Pkg A, making it incredibly versatile for specialized commercial upfits or custom conversions. Additionally, staying connected and managing your vehicle's performance is effortless with integrated Ram Telematics, supported by both 3-year and 5-year subscription options.
