Dealer notes

Introducing the stunning 2026 Hyundai Santa Fe Hybrid SE FWD, a modern family SUV designed to elevate your daily drive with a perfect blend of style, presence, and efficiency. Strikingly finished in an elegant Serenity White exterior, this vehicle commands attention on the road with its bold, boxy silhouette and contemporary styling. Step inside to a spacious cabin featuring a sophisticated Gray interior that offers a calm and comfortable environment for both driver and passengers alike. Whether you are navigating busy city streets or embarking on a family road trip, this hybrid SUV is crafted to deliver an exceptional and aesthetically pleasing driving experience. At the heart of the 2026 Hyundai Santa Fe Hybrid SE FWD is an advanced 1.6L 4-cylinder hybrid engine, engineered to maximize fuel economy while delivering dependable capability. The efficient front-wheel-drive system provides a smooth, composed ride and responsive handling, making it an ideal choice for drivers seeking everyday utility and lower fuel stops. This innovative hybrid powertrain ensures you can enjoy the versatile utility of a midsize SUV with the eco-conscious advantages of modern electrification, proving that family-sized capability can go hand-in-hand with impressive efficiency. This specific 2026 Hyundai Santa Fe Hybrid SE FWD comes equipped with practical, protective features designed to enhance convenience and maintain the vehicle's pristine condition. Inside, custom-fitted carpeted floor mats keep the cabin floors clean, while a durable cargo tray in the rear safeguards your cargo area from daily wear and tear. On the outside, integrated mudguards protect the beautiful Serenity White paint from road debris, and the included roadside assistance kit provides extra peace of mind on every journey. Combining efficiency, thoughtful protection, and eye-catching design, this hybrid SUV is ready to tackle your next adventure.
