Dealer notes

STATE CERTIFIED REBUILT TITLE – 2022 Dodge Durango SRT 392 AWD – 63,574 Miles – 6.4L HEMI V8 – Long Block Replaced at 51K Miles – Black Package – Sunroof This 2022 Dodge Durango SRT 392 AWD combines serious HEMI performance with the everyday practicality of a three-row SUV. Finished in aggressive DB Black Clearcoat over a Black leather-trimmed interior, this SRT has the right look, especially with the desirable Black Package giving the exterior an even more sinister appearance. Under the hood is Dodge's legendary 6.4L 392 HEMI V8, paired with an 8-speed automatic transmission and performance-oriented AWD. This Durango also has an important mechanical highlight: the engine long block was replaced at approximately 51,000 miles, meaning the replacement long block has roughly 12,500 miles of use based on the vehicle's current mileage. Vehicle History & Condition This Durango carries a State Certified Rebuilt Title following previous front-end damage. 63,574 Miles Front-End Damage History NO Structural Damage NO Airbag Deployment Repaired, Inspected & State Certified Long Block Replaced at Approximately 51,000 Miles The previous damage has been repaired, and the vehicle completed the required inspection and state certification process. The long-block replacement is an especially noteworthy part of this Durango's mechanical history and is being disclosed upfront for prospective buyers. Why This Durango SRT Stands Out The Durango SRT 392 occupies a unique place in the performance SUV market. You get a naturally aspirated 392 HEMI V8, performance AWD, three-row versatility, aggressive SRT styling, and genuine everyday usability in one package. This example adds the Black Package, Technology Group, power sunroof, premium leather-trimmed seating, and the significant benefit of a long block that was replaced at approximately 51,000 miles. Vehicle Overview 6.4L 392 HEMI V8 Approximately 475 Horsepower Approximately 470 lb-ft of Torque 8-Speed Automatic Transmission Performance AWD SRT 392 DB Black Clearcoat Black Leather-Trimmed Bucket Seats Three-Row Seating 63,574 Miles SRT 392 Performance This isn't simply a Durango with an appearance package. The SRT receives genuine performance hardware designed around the 6.4L HEMI. Features include: 6.4L 392 HEMI V8 SRT Performance AWD SRT Drive Modes Launch Control Performance Pages Performance-Tuned Suspension High-Performance Braking System Performance Exhaust Sport Steering Electronic Stability & Traction Control The naturally aspirated V8 delivers immediate throttle response and the unmistakable sound that makes the SRT 392 such a desirable performance SUV. Black Package The Black Package complements the DB Black Clearcoat with dark exterior details that give this Durango an especially aggressive appearance. Rather than relying on aftermarket modifications, the factory package maintains a cohesive OEM look that fits the SRT's performance character perfectly. Premium Interior & Comfort Features include, as equipped: Black Leather-Trimmed Bucket Seats Heated & Ventilated Front Seats Heated Second-Row Seating Heated Steering Wheel Power Front Seats Driver

Memory Settings Three-Row Seating Multi-Zone Automatic Climate Control Remote Start Keyless Enter 'n Go Power Sunroof Technology Group The desirable Technology Group adds advanced driver-assistance equipment designed to make highway driving and daily use more convenient. Features include, as equipped: Adaptive Cruise Control Forward Collision Warning Advanced Brake Assist Lane Departure Warning Lane Keep Assist Blind Spot Monitoring Rear Cross Path Detection Parking Assistance Rearview Camera Technology & Entertainment Uconnect Infotainment System Large Touchscreen Display Apple CarPlay Android Auto Bluetooth Connectivity SRT Performance Pages Digital Driver Information Display Multiple USB Connections Steering Wheel Audio Controls Long Block Replacement An important part of this vehicle's mechanical history is that the engine long block was replaced at approximately 51,000 miles. With the Durango currently showing 63,574 miles, the replacement long block has accumulated approximately 12,500 miles since installation. This information is disclosed clearly so buyers understand both the vehicle's overall mileage and the history of its engine assembly. Additional Benefits 63,574 Miles 6.4L 392 HEMI V8 Long Block Replaced at Approximately 51K Miles Performance AWD SRT 392 Black Package Technology Group Power Sunroof Three-Row Seating State Inspected & Certified CarChief Vehicle Locating System Included OBD Monitoring & Diagnostics Trades Welcome Financing Available Nationwide Shipping Doorstep Delivery We complete over half of our sales out of state, and our team can assist with purchasing and transportation nationwide. Pricing Disclosure A \$1,295 dealer preparation package including the CarChief Vehicle Locating System will be added to the purchase price. This Durango carries a State Certified Rebuilt Title following previous front-end damage. There was no structural damage and no airbag deployment, and the vehicle has since been repaired and completed the required state inspection and certification process. The engine long block was replaced at approximately 51,000 miles, and the vehicle currently has 63,574 miles. Its title and mechanical history are disclosed upfront and reflected in the pricing. For someone looking for the combination of a 6.4L HEMI V8, SRT performance, AWD, three-row seating, Black Package, Technology Group, and power sunroof, this Durango offers a tremendous amount of performance SUV for the money.
