Dealer notes

Elevate your daily drive with this exceptional, Carfax 1-Owner 2024 Polestar 2 Long Range Dual Motor Performance Plus. Draped in a sleek Silver exterior that perfectly highlights its avant-garde Scandinavian design, this premium electric fastback stands out on the road with effortless modern sophistication. Inside, the refined Black interior offers a minimalist yet highly premium cabin environment crafted for forward-thinking drivers who value sustainable luxury. With its single-owner history verified by Carfax, this vehicle offers the peace of mind and pristine condition that discerning pre-owned buyers demand. Beneath its aerodynamic silhouette lies a cutting-edge electric powertrain that redefines modern performance. Equipped with the Long Range Dual Motor configuration and an advanced All Wheel Drive system, this 2024 Polestar 2 delivers instantaneous acceleration and confidence-inspiring traction in all weather and road conditions. Stripping away the noise and complexity of traditional combustion engines, the whisper-quiet electric drive system provides a seamless, thrilling ride while maintaining impressive efficiency and range. Engineered with a performance-focused chassis, this electric vehicle offers precise handling and dynamic cornering that turns every commute into an engaging driving experience. The cabin of the Polestar 2 is a masterclass in progressive technology and driver-centric comfort. Standard amenities include an intuitive touchscreen infotainment system powered by Google built-in, providing seamless navigation, voice recognition, and media integration right at your fingertips. Designed with a focus on occupant well-being, the cabin features highly supportive seating and premium materials that enhance long-distance comfort. Do not miss the opportunity to own this highly sought-after, single-owner 2024 Polestar 2 Long Range Dual Motor Performance Plus—a perfect fusion of electric capability, cutting-edge style, and modern luxury.
