Dealer notes

Discover legendary fuel efficiency and smart hatchback design with this 2007 Toyota Prius 5dr HB Touring. Coated in a unique Silver Pine Mica exterior finish, this iconic hybrid stands out with its eco-conscious engineering and versatile five-door profile. Designed for buyers who value long-term reliability, low emissions, and practical everyday utility, the Touring trim brings a subtle edge to Toyota's time-tested hybrid leader.Under the hood, the 2007 Toyota Prius is powered by an efficient 1.5L 4-cylinder hybrid engine paired with a smooth Continuously Variable Transmission (CVT). The Touring trim equips the vehicle with a specifically tuned suspension for enhanced road handling and a more responsive driving feel, all while maintaining the ultra-quiet efficiency the model is famous for. As a spacious 5-door hatchback, it offers flexible cargo utility with split-folding rear seats, making it as capable for weekend errands as it is for daily highway commuting.Inside, the cabin features a dark gray interior designed for driver comfort, practical layout, and intuitive operation. Front and rear passengers enjoy generous legroom, central digital instrumentation, and standard automatic climate control for a pleasant ride in any season. Combining proven hybrid performance, versatile hatchback utility, and the distinct look of Silver Pine Mica, this 2007 Toyota Prius 5dr HB Touring is an exceptional choice for smart, eco-minded buyers.
