Interior colour: Black
Body type: Sedan
Fuel economy: — city / — highway MPG
Dealer: Davis Auto Sales, Richmond, Virginia 23237
Dealer phone: (804) 271-0030

Dealer notes

1984 Honda ATC 200S 3-wheeler. This unit was part of our personal collection, but we've recently acquired several other 1984 models from a bulk private collection purchase. This is a very clean machine, with high luster on the plastics and a clean metal fuel tank. It has been properly stored, with fluids drained and the tank and cylinder fogged for preservation. All it needs is fresh fuel, and it should be ready to run. Aside from replacement tires that hold air with no leaks, we do not see any aftermarket modificationsÿý"this bike appears to be completely original. We handle hundreds of these classic units, and this is one of the few currently available for sale. These are fun, powerful, wheelie-ready machines. The ATC200S was essentially the sporty sibling to the utility-style 200 models and features: • Pull start • 192cc 4-stroke engine • 5-speed manual transmission with clutch • Sport-style fenders and stance • Minimal suspension (front forks only on early versions) Price does not include $0 processing fee
