Dealer notes

If you are searching for a dependable, hard-working pickup truck that balances rugged capability with everyday practicality, this 2013 Ram 1500 4WD Crew Cab 140.5" Tradesman is the perfect fit. Finished in a clean and professional Bright White exterior, this truck projects a strong, ready-for-business attitude whether you are on the job site or embarking on a weekend adventure. Step inside, and you will find a highly functional Black and Diesel Gray interior designed to withstand the rigors of daily use while offering ample space for your crew or family in the spacious Crew Cab cabin. Under the hood, this 2013 Ram 1500 is powered by an efficient and robust 3.6L 6-cylinder engine paired with an advanced 8-speed automatic transmission, delivering a smooth yet responsive driving experience. Built for demanding terrain and challenging weather, the capable Four Wheel Drive system works in tandem with an anti-spin differential rear axle to maximize traction and power delivery when you need it most. Riding on durable LT265/70R17E on/off-road OWL tires, this Tradesman is fully equipped to handle uneven surfaces, gravel paths, and highway cruising with confidence and stability. Beyond its raw capability, this truck is outfitted with practical upgrades that elevate your towing operations and daily drive. It features an integrated trailer brake control for enhanced safety and precision when hauling heavy loads, alongside the Popular Equipment Group, which adds desirable convenience features to the cabin. Combining work-ready performance with essential modern utility, this 2013 Ram 1500 Tradesman stands as a versatile, high-value choice for anyone seeking a capable, four-wheel-drive truck that refuses to back down from a challenge.
