Dealer notes

STATE CERTIFIED REBUILT TITLE – 2025 Ford F-150 XLT PowerBoost 4WD SuperCrew – 28,562 Miles – ONE OWNER – 302A – Black Appearance Package – Space White This 2025 Ford F-150 XLT 4WD SuperCrew is a low-mileage, heavily optioned truck with only 28,562 miles and a desirable ONE OWNER history. Finished in sharp Space White over a Black interior, the XLT Black Appearance Package gives this F-150 an aggressive, modern look that stands apart from a standard XLT. The biggest highlight is Ford's 3.5L PowerBoost Full-Hybrid V6, combining serious truck capability with hybrid technology. Add the 302A Mid Equipment Group, Mobile Office Package, electronic locking differential with 3.73 axle ratio, 4WD, and SuperCrew configuration, and this is an excellent combination of performance, technology, and everyday usability. Vehicle History & Condition This F-150 carries a State Certified Rebuilt Title following previous right-front damage. Right-Front Damage NON-STRUCTURAL Damage Did NOT Affect the Engine ONE OWNER Serviced at Ford Only 28,562 Miles Repaired, Inspected & State Certified The previous damage was confined to the right-front area and did not involve the vehicle's structural components or engine. It has since been repaired and completed the required state inspection and certification process. Its Ford service history and one-owner background are additional positives when considering a late-model truck with previous damage history. Why This F-150 Stands Out This isn't a basic XLT. The combination of the PowerBoost hybrid powertrain, 302A Mid Equipment Group, Black Appearance Package, Mobile Office Package, 4WD, and locking rear differential makes this a particularly desirable configuration. With only 28,562 miles, it gives buyers the opportunity to get into a highly equipped late-model F-150 at significant savings compared with many similarly configured clean-title trucks. PowerBoost Hybrid Performance The 3.5L PowerBoost Full-Hybrid V6 combines a twin-turbocharged EcoBoost engine with an electric motor to provide impressive performance and versatility. 3.5L PowerBoost Full-Hybrid V6 Approximately 430 Horsepower Approximately 570 lb-ft of Torque 10-Speed Automatic Transmission Four-Wheel Drive 3.73 Electronic Locking Rear Differential Selectable Drive Modes Tow/Haul Mode Integrated Trailering Technology as equipped The PowerBoost system is particularly attractive for drivers who want strong towing and acceleration capability while also benefiting from the versatility of Ford's hybrid truck platform. Equipment Group 302A Mid The desirable 302A Mid Equipment Group significantly upgrades the XLT with additional comfort, convenience, and technology. Features include, as equipped: Heated Front Seats Power Driver Seat Remote Start Intelligent Access Push-Button Start Dual-Zone Automatic Climate Control Large Digital Displays Premium Interior Convenience Features Power-Adjustable Equipment as equipped XLT Black Appearance Package The Black Appearance Package gives the Space White exterior a much more aggressive look with dark exterior accents and distinctive styling details. The contrast between the white body and black trim creates a clean, modern

appearance without sacrificing the practicality of the XLT configuration. Mobile Office Package The Mobile Office Package is ideal for contractors, business owners, sales professionals, or anyone who regularly works from their truck. The cabin is designed to provide a more functional workspace, making it easier to handle a laptop, paperwork, calls, and other business tasks while parked. Technology & Driver Assistance Features include, as equipped: SYNC Infotainment System Large Touchscreen Display Apple CarPlay Android Auto Bluetooth Connectivity Digital Instrument Cluster Backup Camera Ford Co-Pilot360 Technology Pre-Collision Assist Automatic Emergency Braking Blind Spot Information System Cross-Traffic Alert Lane-Keeping System Automatic High Beams Trailer-Specific Driver Assistance Features as equipped SuperCrew & 5.5' Box Versatility The SuperCrew configuration provides excellent rear-seat passenger space, making this F-150 equally practical as a family vehicle or work truck. The 5.5-foot bed keeps the truck manageable for everyday driving while still providing plenty of room for tools, equipment, recreational gear, and home projects. Additional Benefits Only 28,562 Miles ONE OWNER Ford Service History 3.5L PowerBoost Full-Hybrid V6 4WD 302A Mid Equipment Group Black Appearance Package Mobile Office Package Electronic Locking Rear Differential State Inspected & Certified CarChief Vehicle Locating System Included OBD Monitoring & Diagnostics Trades Welcome Financing Available Nationwide Shipping Doorstep Delivery We complete over half of our sales out of state, and our team can assist customers nationwide with the purchasing and transportation process. Pricing Disclosure A \$1,295 dealer preparation package including the CarChief Vehicle Locating System will be added to the purchase price. This F-150 carries a State Certified Rebuilt Title following previous right-front damage. The damage was non-structural and did not affect the engine. The truck has since been repaired and completed the required state inspection and certification process. Its title history is reflected in the price, creating an opportunity to purchase a low-mileage, one-owner 2025 F-150 PowerBoost with Ford service history, 302A equipment, Black Appearance Package, Mobile Office Package, and 4WD at an attractive value compared with similar clean-title examples.
