Dealer notes

Step into the future of driving with the stunning 2024 Nissan LEAF SV PLUS Hatchback. Sporting a head-turning, sophisticated Super Black/Pearl White two-tone premium paint finish, this all-electric hatchback seamlessly blends modern aesthetics with eco-friendly efficiency. Designed for drivers who refuse to compromise on style or sustainability, this vehicle offers a sleek, aerodynamic profile that stands out on any road while delivering a quiet, emission-free ride. Beneath its stylish exterior, the 2024 Nissan LEAF SV PLUS delivers an advanced electric driving experience. Powered by an all-electric propulsion system that completely eliminates the need for a traditional gasoline engine, this hatchback offers instant torque and smooth, responsive acceleration. The SV PLUS trim is engineered to maximize your driving confidence with enhanced electric capability, making it ideal for both daily commutes and longer journeys. Additionally, its versatile hatchback design provides exceptional utility and cargo-carrying flexibility to suit your active lifestyle. Inside, the refined black interior is designed for comfort and everyday practicality, elevated by a selection of thoughtful factory additions. This model comes equipped with durable floor mats and a cargo area mat to protect your cabin floor, alongside protective kick plates and practical splash guards that help preserve the vehicle's striking exterior. For added passenger convenience, it features rear cupholders and a handy stash tray to keep small items organized on the go. Combining innovative electric performance with highly functional convenience features, this 2024 Nissan LEAF SV PLUS is the perfect choice for those ready to embrace the electric revolution.
