Interior: Magma Grey / Black Nappa Leather AMG Performance & Driving Dynamics The C63 S Coupe is engineered by Mercedes-AMG to deliver an engaging driving experience without compromising everyday refinement. Its handcrafted 4.0L Biturbo V8 produces an impressive 503 horsepower, sending power to the rear wheels through the responsive AMG SPEEDSHIFT MCT 9-speed transmission. The C63 S also features an electronically controlled AMG limited-slip rear differential, AMG RIDE CONTROL sport suspension, and selectable AMG DYNAMIC SELECT driving modes. The combination of its rear-wheel-drive chassis, powerful V8 engine, and AMG performance engineering makes the C63 S one of the most exciting luxury performance coupes of its generation.

Exterior & Interior Highlights The designo Graphite Grey Magno matte finish is one of the standout features of this C63 S, giving the coupe a distinctive appearance that complements its aggressive AMG bodywork. Black cross-spoke forged wheels, red AMG brake calipers, and Night Package accents complete the exterior. Inside, the Magma Grey and Black Nappa leather interior offers a refined contrast, complemented by genuine AMG carbon fiber trim, performance seats, and customizable 64-color ambient lighting. The 2019 Mercedes-AMG C63 S Coupe delivers an exceptional combination of handcrafted V8 performance, luxury, and distinctive styling. With 503 horsepower, a rear-wheel-drive platform, and AMG-developed performance components, it provides a driving experience that stands apart from many modern performance coupes. What makes this example particularly appealing is its designo Graphite Grey Magno exterior, two-tone Nappa leather interior, AMG Performance Seats, Carbon Fiber Trim, forged wheels, and desirable factory packages. For enthusiasts seeking a high-performance German coupe with unmistakable V8 character and premium factory equipment, this C63 S is an outstanding choice. Available at Unique Motors NW.
