Dealer notes

THIS VEHICLE IS OFFSITE!!!! 2006 Ford F-250 Super Duty Lariat Crew Cab Short Bed 4x4 "Bulletproofed 6.0L Power Stroke, 16"18-Inch 4-Link Lift, King Shocks, and 44-Inch Super Swampers! This is one serious Super Duty built to stand out, combining the legendary styling of the Ford F-250 with an enormous suspension setup and an impressive list of performance and supporting upgrades. Powered by the 6.0L Power Stroke turbo-diesel V8, this truck features a bulletproofed 6.0L diesel setup paired with a massive 16"18-inch 4-link suspension lift, King shocks, and limit straps. The stance is completed by enormous 19.5x44x20 Super Swamper Bogger tires mounted on 20x14 American Force wheels, with less than 500 miles on the tires. This combination delivers an unmistakable presence that is hard to overlook. Supporting the build is a set of 5.13 gears, AFE differential covers, PowerStop brakes, and a hydro-assist steering system designed to help manage the demands of the oversized tires. Recent maintenance and upgrades include new front axle seals, new U-joints, a new hydro-boost pump, a new power steering pump, new batteries, and new sway bar bushings. Additional performance upgrades include a Sinister Diesel cold air intake and a 250-amp alternator. The exterior is further enhanced by a custom Royalty Core grille, underglow lighting, and AMP power running boards for convenient cab access despite the substantial lift. Inside, the Lariat interior offers a more refined place to spend time, complete with WeatherTech floor mats. This F-250 brings together big diesel power, serious suspension hardware, massive Super Swamper Boggies, and an impressive collection of supporting upgrades to create a truck that commands attention wherever it goes. If you are looking for a heavily modified Super Duty with an unmistakable stance and an extensive list of upgrades, this one deserves a closer look.
