Dealer notes

If you are searching for a dependable, high-capacity transport solution, this 2017 Chevrolet Express Passenger RWD 3500 135" LS w/1LS is the ideal choice. Finished in a professional Summit White exterior, this full-size passenger van is engineered to transport groups with confidence, making it a perfect fit for shuttle services, organizations, or large families. With its robust 135-inch wheelbase, this rear-wheel-drive vehicle offers the ultimate combination of structural stability, immense cabin space, and legendary Chevrolet reliability. Under the hood, this heavy-duty van is powered by the formidable Vortec 6.0L V8 SFI FlexFuel engine. This proven 8-cylinder powerplant delivers the muscle needed to confidently transport a full cabin of passengers and their gear, while providing the exceptional towing and hauling capability inherent to the robust 3500-series chassis. The rear-wheel-drive configuration ensures excellent traction and predictable handling when fully loaded, giving drivers peace of mind on long-distance highway trips or busy city routes. Inside, the functional Medium Pewter interior is designed with passenger comfort and driver convenience in mind. Passengers in the back remain comfortable in any season thanks to the integrated rear air conditioning and rear auxiliary heater. Up front, the driver benefits from a leather-wrapped steering wheel that includes mounted audio controls for seamless command over the drive. Maneuvering this large van is also made simple and safe with the inclusion of a rear vision camera. This 2017 Chevrolet Express Passenger 3500 LS is a durable, ready-to-work vehicle that stands prepared to meet all of your transportation demands.
