Looking for the ultimate efficient workhorse to elevate your business operations? This 2023 Ford Transit Connect Van XL LWB w/Rear Symmetrical Doors is the ideal solution, offering the perfect blend of urban maneuverability and commercial utility. Finished in a professional Frozen White exterior, this compact cargo van project a clean, modern image while easily navigating tight city streets and low-clearance parking garages. Whether you are an independent contractor, a delivery specialist, or managing a mobile service fleet, this vehicle is built to maximize your daily productivity. Under the hood, this front-wheel-drive workhorse is powered by a reliable and efficient 2.0L GDI I-4 gas engine, delivering the perfect balance of daily-driving performance and cost-saving fuel efficiency. The Long Wheelbase (LWB) configuration optimizes your cargo-carrying potential, providing ample room for custom shelving, tools, or deliveries. Accessing your gear is incredibly convenient thanks to the rear symmetrical doors, which swing open wide to facilitate quick loading and unloading in tight loading zones or busy curbsides. Inside, the cabin features a practical and durable Ebony interior with Ebony inserts, engineered to withstand the wear and tear of a demanding workweek. Driver confidence and safety are significantly enhanced with the Blind Spot Information System (BLIS) and a helpful Reverse Sensing System, making maneuvering in tight job sites easier than ever. For longer highway commutes between jobs, the integrated cruise control helps reduce driver fatigue, while the inclusion of two additional key fobs ensures seamless fleet management and convenience for multiple operators. Ready to work, this 2023 Ford Transit Connect is the smart, capability-focused investment your business needs. Price does not include Tax, Doc or a \$895 preparation fee.
