Dealer phone: 844-496-6622

Dealer notes

Zoom Classic Cars presents this 1958 Chevrolet Impala Sport Coupe – Original Survivor – 283 V8 – 83,112 Original Miles. Few automobiles better represent the optimism, style, and excitement of late-1950s America than the iconic 1958 Chevrolet Impala. Introduced as Chevrolet's new top-of-the-line model, the Impala debuted with dramatic one-year-only styling that featured a sweeping roofline, distinctive side trim, and the now-famous triple taillights that would become an Impala trademark. Available only as a Sport Coupe and Convertible in its inaugural year, the 1958 Impala has become one of the most recognizable and collectible Chevrolets ever produced. Offered here is a remarkably original and unmolested 1958 Chevrolet Impala, a true survivor that retains its factory character and presents as an honest, well-preserved classic. Showing just 83,112 original miles, this Impala is powered by its original 283 cubic-inch Turbo-Fire V8 rated at 185 horsepower and equipped with its factory Rochester 2-Jet two-barrel carburetor, backed by the dependable 2-speed Powerglide automatic transmission. The combination provides smooth, reliable cruising and represents the type of drivetrain that made Chevrolet the best-selling automobile manufacturer in America during the late 1950s. Finished in attractive Rio Red, the car received a professional repaint approximately 22 years ago that continues to present very well today. The finish retains a beautiful shine while showing minor imperfections as shown consistent with an older repaint. Biggest imperfection is along the top of the right rear fender as shown. The body is very solid and rust-free with overall excellent panel alignment and fitment. All chrome, stainless trim, badging, and brightwork remain intact and are reported to be in excellent condition. One particularly desirable period accessory is the dealer-installed Cool Pack Air Conditioning System, a costly upgrade when new and seldom seen today. The system is complete and currently requires an R12 recharge. Other Features Include: * Original 12-Volt Generator Charging System * One-Piece California Front and Rear Bumpers * Stainless Steel Dual Exhaust with Chrome Tips * Dealer Installed Accessory Exhaust Ports * Factory AM Radio * Rear Speaker mounted within back seat * Rear Quarter Mounted Radio Antenna * Dual Fender Mounted Mirrors * Fender Skirts * Spinner Hubcaps * Door Handle Guards * Windshield Washer System with Original Glass Reservoir Bottle. The interior remains highly original and beautifully preserved with no rips or tears in the seating. The upholstery, dash, trim panels, headliner and brightwork all reflect careful ownership and proper storage. The spacious cabin showcases the elegant styling that helped establish the Impala as Chevrolet's flagship passenger car. The dashboard features the desirable factory gauge cluster including: * Working Factory Clock * Fuel Gauge * Temperature Gauge * Rear Speaker Volume Control. The trunk compartment is exceptionally clean and solid, complete with its trunk mat and full-size spare tire. Beneath the car, the undercarriage is clean, solid, and rust-free, featuring the stainless dual exhaust system and factory-style mechanical components. Equipped with manual steering and

four-wheel drum brakes, the car delivers the authentic driving experience Chevrolet enthusiasts appreciate. It runs, drives, shifts, and handles exceptionally well and remains a pleasure to take on local cruises, shows, and weekend outings. Included with the sale are a fitted car cover, shop and owner's manuals and a clean title in the owner's name. The 1958 Impala occupies a special place in Chevrolet history as the first year of production for what would become one of the most successful nameplates in American automotive history. Its unique styling, limited one-year design features, and strong collector following continue to make these cars highly desirable among enthusiasts. This car was a feature car in the official NAPA Auto Parts calendar for 2005 and has one numerous awards a local car shows. Always maintained and garaged. Note that the wipers work intermittently and may require attention. If you have been searching for a genuine, highly original inaugural-year Impala that retains its factory charm and is ready to enjoy, this rust-free Rio Red Sport Coupe deserves serious consideration. Comes complete with car cover, clean title in the owner's name, and is ready for its next caretaker. Call Jeff for additional information or to schedule a viewing of this truly iconic 1 year only Chevy. Thanks for Looking. Price does not include \$0 processing fee
