### Dealer notes

2008 BMW 135i CONVERTIBLE | TWIN-TURBO INLINE-SIX | CORAL RED LEATHER | SPORTY OPEN-TOP PERFORMANCE Topline Auto Group is proud to present this beautifully configured 2008 BMW 135i Convertible, finished in stunning Sparkling Graphite Metallic over a striking Coral Red leather interior. Combining BMW's renowned performance engineering with the excitement of open-air driving, the 135i Convertible delivers an engaging driving experience in a compact, rear-wheel-drive sports car. Under the hood sits BMW's legendary 3.0-liter N54 twin-turbocharged inline-six producing 300 factory horsepower and 300 lb-ft of torque, paired with a responsive 6-speed automatic transmission with Steptronic manual-shift capability. Known for its smooth power delivery, strong acceleration, and impressive performance potential, the N54 engine has earned a dedicated following among BMW enthusiasts. This particular example stands out with its desirable Sparkling Graphite Metallic exterior and Coral Red leather interior, a distinctive color combination that perfectly complements the 135i's sporty character. The power-operated convertible soft top allows drivers to enjoy the excitement of open-air motoring, while the compact proportions, short wheelbase, and rear-wheel-drive layout provide the responsive handling that BMW enthusiasts appreciate. Inside, the Coral Red leather cabin features supportive front seating, premium materials, and a classic driver-focused BMW dashboard. Heated front seats, navigation, Bluetooth connectivity, and premium audio further enhance comfort and convenience. The exterior showcases BMW's signature kidney grille, distinctive headlights, athletic body lines, and dual exhaust outlets, creating a timeless appearance that remains appealing to driving enthusiasts. With its powerful twin-turbocharged inline-six, rear-wheel-drive configuration, distinctive color combination, and engaging convertible driving experience, this BMW 135i offers an exceptional blend of performance, style, and everyday enjoyment.
