Dealer notes

Here is your chance to own one of the rarest G-Wagons ever built. This 2017 Mercedes-Benz G-Class G 550 4x4 Squared is a genuine factory 4x4², extremely rare in the USA, and very few dealers across the country have one available, making this truly a collector-grade SUV. Finished in white and dressed with the Brabus Package, it features a Brabus carbon hood scoop, Brabus roof-mounted LED light bar, Brabus front bumper with integrated LED lights and bold black accents that give it an aggressive, head-turning presence wherever it goes. Step inside and you'll be greeted by a custom starlight headliner, turning the cabin into a glowing night sky and adding a true luxury touch you won't find in most G-Wagons. Underneath, it carries everything that makes the 4x4² legendary: factory portal axles, three locking differentials, dual coilover suspension at each corner, nearly 18 inches of ground clearance and massive 22-inch wheels, powered by a 4.0L twin-turbo V8 producing 416 HP and 450 lb-ft of torque, mated to a 7-speed automatic with full-time all-wheel drive. Even better, the entire exterior is protected with PPF (Paint Protection Film), keeping the paint shielded from rock chips, scratches and road wear, so it looks as sharp as the day it was wrapped. With just 27,689 miles, this Brabus 4x4² is ready for its next owner. Rare, protected and unforgettable. Call QNQ Auto Group today before it's gone! QNQ AUTO GROUP – EASY FINANCE SPECIALISTS.
